## Let's make connections:

What similarities does  
China share with your  
country?

---

---

---

China has the world's largest **High Speed Rail** system, which has very fast trains.  
China has advanced technology.

China has the world's second largest **population** with over 1.4 billion people. That's America's population quadrupled!

**Fun Fact:** In China, almost everyone pays for things with their **phone** using apps like Alipay or WeChat, instead of using cash or credit cards.
