

CHINESE FOOD

Vocabulary:

Food - 食物 shí wù

Fruits - 水果 shuǐ guǒ

Vegetables - 蔬菜 shū cài

Grains - 谷物 gǔ wù

Meat - 肉 ròu

Spicy - 辣 là

Hotpot - A boiling pot of soup that you can dip various foods into

Chinese meals include four main **food** groups: **fruits**, **vegetables**, **grains**, and **meat**. Since China is such a big country, different areas serve different types of food. Some regions are known for their **spicy** food.

Dim-sum - Small Chinese dishes that are eaten with tea. For example, soup dumplings, which are dumplings filled with soup.

Tanghulu - Fruit coated in hard sugar on a skewer
